Congratulations! You passed!

Grade received 100% To pass 80% or higher

1. In which PACE stage would a data professional ask, "What are the goals of the project?"

Go to next item

1/1 point

	O Construct	
	O Execute	
	Plan	
	O Analyze	
	Correct In the plan stage of the PACE model, a data professional asks, "What are the goals of the project?" The answers to this question help to define the project scope.	
2.	Fill in the blank: In the stage of the PACE model, a methodical examination of the data is conducted.	1/1 point
	O plan	
	O execute	
	analyze	
	Oconstruct	
	correct In the analyze stage of the PACE model, a methodical examination of the data is conducted. This is also the stage when a data professional engages in exploratory data analysis, or EDA.	
3.	In the execute stage of the PACE model, what is shared with stakeholders?	1/1 point
	O Datasets	
	The story told by the data	
	O Project goals	
	Models and algorithms	
	Correct In the execute stage of the PACE model, the story told by the data is shared with stakeholders. This may include answering questions, presenting findings, and sharing recommendations based on the findings.
